Independent Auditor's Report

To the Members of Indorama Sustainable Polymers (India) Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Indorama Sustainable Polymers (India) Private Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors are responsible for the other information. Other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Director's Reports is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;

Walker ChandioK & Co LLP

Independent Auditor's Report of even date to the members of Indorama Sustainable Polymers (India) Private Limited, on the financial statements for the year ended 31 March 2024 (cont'd)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matter

11. The financial statements of the Company for the year ended 31 March 2023 were audited by the predecessor auditor, PGSJ & Co. Chartered accountant, who have expressed an unmodified opinion on those financial statements vide their audit report dated 12 May 2023.

Report on Other Legal and Regulatory Requirements

12. Based on our audit, we report that the Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable.
13. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
14. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
 - c) The financial statements dealt with by this report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act.

Walker ChandioK & Co LLP

Independent Auditor's Report of even date to the members of Indorama Sustainable Polymers (India) Private Limited, on the financial statements for the year ended 31 March 2024 (cont'd)

- f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 14(b) above on reporting under section 143(3)(b) of the Act and paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
- g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2024 and the operating effectiveness of such controls, refer to our separate report in Annexure B wherein we have expressed an unmodified opinion; and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us.
- i. The Company does not have any pending litigation(s) which would impact its financial position as at 31 March 2024;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2024;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;
- iv. a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 16(e) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
- b. The management has represented that, to the best of its knowledge and belief, as disclosed in note 16(f) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year ended 31 March 2024.
- vi. Based on our examination which included test checks, the Company, in respect of financial year commencing on 1 April 2023, has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that, audit trail feature was not enabled at database level for accounting software to log any direct data changes, as described in note 17 to the financial statements. Further, during the course of our

Annexure B to the Independent Auditor's Report of even date to the members of Indorama Sustainable Polymers (India) Private Limited on the financial statements for the year ended 31 March 2024

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of Indorama Sustainable Polymers (India) Private Limited ('the Company') as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those

Chartered Accountants

Walker Chandiook & Co LLP

Annexure B to the Independent Auditor's Report of even date to the members of Indorama Sustainable Polymers (India) Private Limited on the financial statements for the year ended 31 March 2024 (Cont'd)

policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Indorama Sustainable Polymers (India) Private Limited
Summary of material accounting policy information and other explanatory information for the year ended 31 March 2024

(i) Corporate information

Indorama Sustainable Polymers (India) Private Limited (hereinafter referred to as 'the Company') is a Private Company domiciled in India, with its registered office situated at A-31, MIDC Industrial Area, Butibori, Nagpur. The Company has been incorporated under the provisions of Companies Act, 2013. The Company is engaged in trading of polyester yarn and is in process of setting up project to manufacture draw textured yarn (DTY).

The financial statements were approved for issue by the Board of Directors on 14 May 2024.

(ii) Basis of preparation and presentation

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. The financial statements have been prepared on the historical cost basis. All amounts have been rounded-off to the nearest lakhs and two decimals thereof, unless otherwise indicated.

Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes in these standalone financial statements.

The statement of cash flows have been prepared under indirect method.

The financial statements have been prepared on the historical cost basis, except for certain financial assets and financial liabilities which are measured at fair value/ amortised cost.

(iii) Amended Accounting Standards (Ind AS) and interpretations effective during the year

a. Definition of Accounting Estimates - Amendments to Ind AS 8

The amendments clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates.

The amendments had no impact on the company.

b. Disclosure of Accounting Policies - Amendments to Ind AS 1

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments have had an impact on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

c. Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to Ind AS 12

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases. This amendment had no impact on the company.

Indorama Sustainable Polymers (India) Private Limited
Summary of material accounting policy information and other explanatory information for the year ended 31 March 2024

(iv) Material accounting policy information

a. Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and other comprehensive income (OCI) that are reported and disclosed in the financial statements and accompanying notes. Accounting estimates could change from period to period. Actual results may differ from these estimates.

These estimates and judgment are based on the management's best knowledge of current events, historical experience, actions that the Company may undertake in the future and on various other estimates and judgments that are believed to be reasonable under the circumstances. Accounting estimates could change from period to period. Accounting estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the financial statements in the period in which changes are made. In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have most significant effect of the amounts recognized in the financial statements.

b. Going concern

Going concern basis of accounting used for preparation of the accompanying financial statements is appropriate with no material uncertainty.

c. Current/non-current classification

Based on the nature of business and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

d. Financial instruments

i. Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability of another entity. Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial instrument is measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss (FVTPL) which are measured initially at fair value.

However, trade receivables are initially measured at transaction price (as defined in Ind AS 115, Revenue from Contract with Customers) unless those contain a significant financing component determined in accordance with Ind AS 115.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at amortised cost or at FVTPL. Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost as described above are measured at

Indorama Sustainable Polymers (India) Private Limited
Summary of material accounting policy information and other explanatory information for the year ended 31 March 2024

FVTPL.

For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Company's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it

would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition. Financial assets at amortised cost are measured at amortised cost using the effective interest method. Interest income recognised in Statement of Profit and Loss.

Subsequent measurement and gains and losses

Indorama Sustainable Polymers (India) Private Limited
Summary of material accounting policy information and other explanatory information for the year ended 31 March 2024

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of Profit and Loss
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of Profit and Loss. Any gain or loss on derecognition is recognised in Statement of Profit and Loss.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in Statement of Profit and Loss.

e. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks, cheques on hand, cash on hand, short term deposits with an original maturity of three months or less, that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value.

For the purpose of statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

f. Earnings per share

Basic earning per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Potential ordinary shares shall be treated as dilutive when, and only when, their conversion to ordinary shares would decrease earnings per share or increase loss per share from continuing operations.

g. Amendment to Accounting Standards (Ind AS) issued but not yet effective.

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended 31st March, 2024 MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

The Company is yet to commence operations hence no separate disclosures are provided in these financial statements.

12. Financial instruments - accounting classifications and fair value measurements

The fair values of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sales.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and cash equivalents, bank balances other than cash and cash equivalents, trade and other short-term receivables, investments, loans and advances and other current liabilities approximated their carrying amounts largely due to the short-term maturities of these instruments.

A. Accounting classifications and fair values

The following tables shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

- The amortised cost of all financial assets and liabilities approximate to the fair values on the respective reporting dates.
- There have been no transfers between Level 1, Level 2 and Level 3 for the years ended 31 March 2024 and 31 March 2023.

13. Financial risk management objectives and policies

The Company's activities are exposed to a variety of financial risks from its operations. The key financial risks include market risk, credit risk and liquidity risk.

The Company's senior management oversees the management of these risks. The management is responsible for formulating an appropriate financial risk governance framework for the Company and for periodically reviewing the same. The senior management ensures that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below:

Risk	Exposure arising from	Measurement	Management
Market risk-interest rate	Borrowings	Sensitivity analysis	NA
Market risk-foreign exchange	Recognised financial liabilities not denominated in INR	Sensitivity analysis	NA
Credit risk	Financial assets measured at amortised costs	Ageing analysis	Credit limits
Liquidity risk	Borrowings and other liabilities	Cash flow forecasting	NA

A. Market risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of equity price fluctuations, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

1. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. There are no borrowings hence these are not having any impacts

2. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company has not started any operations during the year. The Company does not have any foreign exchange risk as there are no foreign currency transactions.

3. Liquidity risk

The table below summarises the maturity profile of company's financial liabilities based on contractual payments:-

15. Ratio analysis and its elements

a) The following are analytical ratios for the year ended 31 March 2024 and 31 March 2023:

Particular	Note	Year ended 31 March 2024	Year ended 31 March 2023	Variance
(a) Current ratio	(i)	0.71	2.56	72.18% #
(b) Debt equity ratio	(ii)	-	-	-
(c) Debt service coverage ratio	(iii)	-	-	-
(d) Return on equity ratio (%)	(iv)	-518%	-0.32%	-161664.71% #
(e) Inventory turnover ratio	(v)	-	-	-
(f) Trade receivable turnover ratio	(vi)	-	-	-
(g) Trade payable turnover ratio	(vii)	-	-	-
(h) Net capital turnover ratio	(viii)	-	-	-
(i) Net profit ratio (%)	(ix)	-	-	-
(j) Return on capital employed ratio (%)	(x)	326%	-0.39%	-100.12% #
(l) Return on investment	(xi)	-	-	-

Reasons for variance

#The company has no operations in this year as well as previous year, therefore, this leads to variance in ratios.

Notes :

(i) Current ratio = Current assets/ current liabilities

(ii) Debt equity ratio = Total debt/ shareholders equity

(iii) Debt service coverage ratio = Earnings available for debt service/ debt service (refer point (A) below)

(iv) Return on equity ratio = Net profits after taxes – preference dividend (if any)/ average shareholder's equity

(v) Inventory turnover ratio = sales (excluding other operating income) /average inventory

(vi) Trade receivables turnover ratio = net credit sales/ avg. accounts receivable

(vii) Trade payables turnover ratio = Net credit purchases (comprise of purchase of raw materials + stores & spares + packing materials) / average trade payables)

(viii) Net capital turnover ratio = net sales/ working capital

(ix) Net profit ratio= net profit/ net sales

(x) Return on capital employed (ROCE)= earning before interest and taxes/ capital employed (refer point (B) below)

(xi) Return on investment= income received from investments/ average investments. No income has been received on investment in the year ended 31 March 2023 and 31 March 2022 hence reported as nil.

Other explanatory points

(A) Earning for debt service = net profit after taxes + non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of property, plant & equipment etc.

Debt service = interest & lease payments + principal repayments

"Net profit after tax" means reported amount of "profit / (loss) for the period" and it does not include items of other comprehensive income.

(B) Capital employed = tangible net worth + total debt + deferred tax liability (asset)

16 Other Statutory Information

- (a) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.

17 The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company uses an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software. However, the audit trail feature is not enabled at database level for accounting software to log any direct data changes for users with certain privileged access rights. Further there is no instance of audit trail feature being tampered with in respect of the accounting software where such feature is enabled.

Presently, the log is enabled at the application level and the privileged access to accounting software database continues to be restricted to limited set of users who necessarily require this access for maintenance and administration of the database.

This is the summary of material accounting policy information and other explanatory information referred to in our report of even date.
